VIA HANDMAIL

The Honorable Haley Barbour
Governor, State of Mississippi
501 North West Street
15th Floor, Woolfolk Building
Jackson, MS 39201

Dear Governor Barbour:

This letter is to request that Robert Earl Henderson be granted a gubernatorial pardon. I have known Robert for many years and believe that he is honest, responsible and forthright in his dealings with his family, friends, and colleagues. He has demonstrated a high degree of loyalty and trustworthiness to the causes which he believes.

Robert is an ordained minister whose love for God is exemplified in his everyday life. He is well respected in the faith community and is an active member and associated minister of Greater Tree of Life Missionary Baptist Church, Rev. F.L. Blount, pastor. He is a strong advocate for community involvement to go the extra mile to see that the task is completed. I have been impressed with his communication skills and his outstanding leadership abilities.

Robert Earl Henderson is dependable, energetic and honest. Therefore, without hesitation, I respectfully commend him for a gubernatorial pardon. Since has given us numerous chances, I believe that we too should give Robert another chance.

Very truly yours,

To Whom It May Concern,

I Robert Earl Henderson attest that all information included in the Application for Clemency packet is true and correct to the best of my knowledge.

Request for Clemency:

I Robert Earl Henderson believes in what the Bible says in 1 Corinthians 13:11 When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things.

I am requesting clemency so I may be able to serve my church, community and schools at a greater capacity. Therefore, on Dec 28, 2011, I pray that this committee will play a major role in the development of the cornerstone of change in my current life and future.

Reason for Deserving Clemency:

I Robert Earl Henderson believe I deserve clemency because of the positive influence I have in the church and community. I have successfully worked in the community for the last 17 years. I was granted the opportunity to work with the late former Mayor Frank & Melton by helping organize and hire underprivileged, high risk youth. During this time I established relationships within the community, local law enforcement, city council, state representatives and court municipalities in an effort to improve our neighborhood and our great city of Jackson.
