WITH JIM CROW!

20,000,000 WHITE AMERICANS UNITED

TO WIPE THE SCOURGE OF JIM CROW FROM THE FACE OF AMERICA

For too long, America has suffered under the shame of white supremacy.

For too long, the racists, the Klansmen, the bigots, the Dixiecrats, in and out of our Congressional halls, have ridden roughshod over our national honor and over the human dignity of the Negro people.

It is time to call a halt!

It is time for white Americans, who believe in the principles upon which our nation was founded, to accept their responsibility to end the evil of Jim Crow which plagues our land.

20,000,000 of us, united in the determination that we will no longer live with Jim Crow, can end this scourge forever.

20,000,000 of us refusing to use facilities marked "for white only", refusing to abide by shameful segregation laws, rules and customs, will bring a new breath of freedom to America.

This is our responsibility, our duty and our high privilege.

PLEDGE

As a white American, with an abiding faith in our Constitution and a democratic hatred for practices which degrade and humiliate men because of race, religion, nationality or color, I refuse to live any longer with the shame of our nation — white supremacy.

Its evils have plagued our fair land too long. They have defiled all decent ways of living for decent Americans. They have sapped our people's moral strength and, in the eyes of the rest of the world, have turned the torch of liberty into a symbol of racist arrogance.

I know that our country cannot survive and flourish as a free land and remain a land of Jim Crow.

Therefore, in the spirit of Thomas Jefferson, who swore "eternal hostility against every form of tyranny over the mind of man,"

I Pledge

eternal hostility against discrimination, segregation and prejudice.

I Pledge

to refuse to abide by laws, rules, or customs that degrade my fellow Americans through discrimination, segregation or Jim Crow.

I Pledge

no peace with those who support these alien and abhorrent evils. Instead, I shall work daily to abolish hatred of man by man and to create a respect for human rights and the dignity of all men.
