

Thank you for taking the time to consider me for you 5th Circuit Court district Judge, Post 2. The judicial branch of our government is responsible for interpreting and applying the law. As a part of the judicial branch, the Circuit Court hears felony criminal cases and civil lawsuits. Additionally, the Circuit Court hears appeals from County and Justice courts and from administrative boards and commissions.

My husband, Andy Young, and I are raising our two children, Case (6) and Cate (2), in Ackerman. I want to do everything I can to make sure my family and yours get to enjoy the same freedoms and quality of life those before us have enjoyed. Former president, Ronald Reagan, once said, "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same..." President Reagan was correct. My generation must accept the responsibilities being handed down. I want to do my part by serving as your next Circuit Court Judge for District 5. If elected, I pledge to be a fair and impartial jurist and will faithfully interpret and apply the laws of our state. I ask for your vote and support.
