Governor the indoor volleyball facility could be completed any day now and I'm sure the university will be calling for the remaining 1,048,000. I can try to buy some time. Your our starting QB and we can only go as far as you take us.

Not to put pressure on you but if anyone

on you but if anyone  
can make this work  
you can. Have a great  
trip and see you after.

Nancy has already  
called and we will get  
that meeting set 👍
