I can call you. If it's about the Grant or DHS Funding there isn't much I can do. Until Audit has complicated its work I am staying out of all decisions that the agency will make. It would be best to meet with [STAFF ATTORNEY] at this time. Thanks.

To Nancy New. She wants to meet again. Don't think that's a good idea. Keep this response as a record.

Yes sir. She's relentless.

Isn't about the audit
or DHS at all.
Actually, it's about
me but that's ok, I
understand. I am sor-
ry to bother you es-
pecially on a Friday.
Have a nice weekend.
It's going to be a hot
one.
