Failed to mention but there will be state programs using the facility like seminars, teen rallies, obesity campaigns etc....

Again thanks I know you have many requests

Tate a classmate of Deanna and myself Desmond Hoda is a candidate for chiropractic board and asked if I would put a good word in. I wouldn't if I didn't think he was worthy. Not sure how good a chiropractor he is but he is a helluva guy!!!

Also Deanna and I want to show you the facility and it would only be us. I want you to see what your trying to help me for. Anyway our buddy the big chief did awesome last night. Oh Todd said y'all may go to the concert Friday if so we may tag along and if time permits we show you facility.

Great timing. We were just talking about Hoda earlier today!

I will definitely appoint him based on your recommendation (or really Deanna's - HA)!
