Subject: Mississippi Democratic Party Campaign Finance Reports

Dear Secretary of State's Office

This is to inform you that the Mississippi Democratic Party has not spent any funds promoting, opposing, or contributing to candidates in the 2023 cycle as of May 23, 2023. This is in accordance with state regulations which require Party entities and PAC's to file periodic campaign finance reports if they have made any contribution and/or expenditure for the purpose of influencing or attempting to influence the action of voters for or against any candidate regularly elected in 2023. If and when the party decides to spend money on either of these activities, it will start to file periodic campaign finance reports as required by law.

We take our commitment to transparency and accountability seriously and strive to ensure that all of our activities are conducted in a manner that is compliant with all applicable laws and regulations.

If you have any questions or concerns about our campaign finance reports, please do not hesitate to reach out.

Thank you for your time and consideration.
