Greetings Tougaloo Family,

I write to inform you that the College has received concerning calls regarding the commencement speech delivered by Congresswoman Jasmine Crockett on yesterday.

We are not taking these occurrences lightly. Appropriate actions have been taken. Contact has been made with law enforcement authorities to ensure that safety protocols are in place, if needed.

As always, your continuing safety is our primary concern. We are asking for your help in keeping our campus safe. Should you receive a call of this nature or notice anything suspicious, please inform Vice President Donavon Coley immediately. He can be reached at 601-977-7815 or 706-505-0368.

Thank you for your support and cooperation.

Sincerely,

Donzell Lee, Ph.D.
President
