

Percentage of Population that Moved in the Past Year

Population 1 year and over in the United States

For more information on confidentiality protection, sampling error, nonsampling error, and definitions, visit <https://www.census.gov/programs-surveys/acs/>.

The COVID-19 pandemic posed challenges to collecting ACS data in 2020 and, as a result, the ACS experienced high rates of non-response. To address these concerns, the Census Bureau released “experimental” estimates for the 2020 ACS 1-year data. For this reason, 2020 ACS 1-year estimates are not provided in these figures. For more information, visit <https://www.census.gov/programs-surveys/acs/technical-documentation/user-notes/2021-02.html>.
